

BLUSH

I N T E R N A T I O N A L

THE TALENT IS IN THE TEAM, CREATING A NEW STANDARD IN LUXURY DESIGN

Blush International is one of the world's best kept secrets, creating beautiful spaces for discerning clients. By adopting a bespoke approach to each project, Blush International ensures that no two residences are alike. Blush International believes in investing the time in getting to know their clients.

Blush was established in 2007 by Kate Instone, after many years in the industry, Kate and her partners wanted to create a firm that took luxury design beyond the cookie cutter approach deployed by many larger international firms. Their reputation is built on a loyal and established client base who appreciates Blush International's down to earth approach and attention to detail. Kate and her team have completed award winning projects for a range of high net worth individuals and corporations.

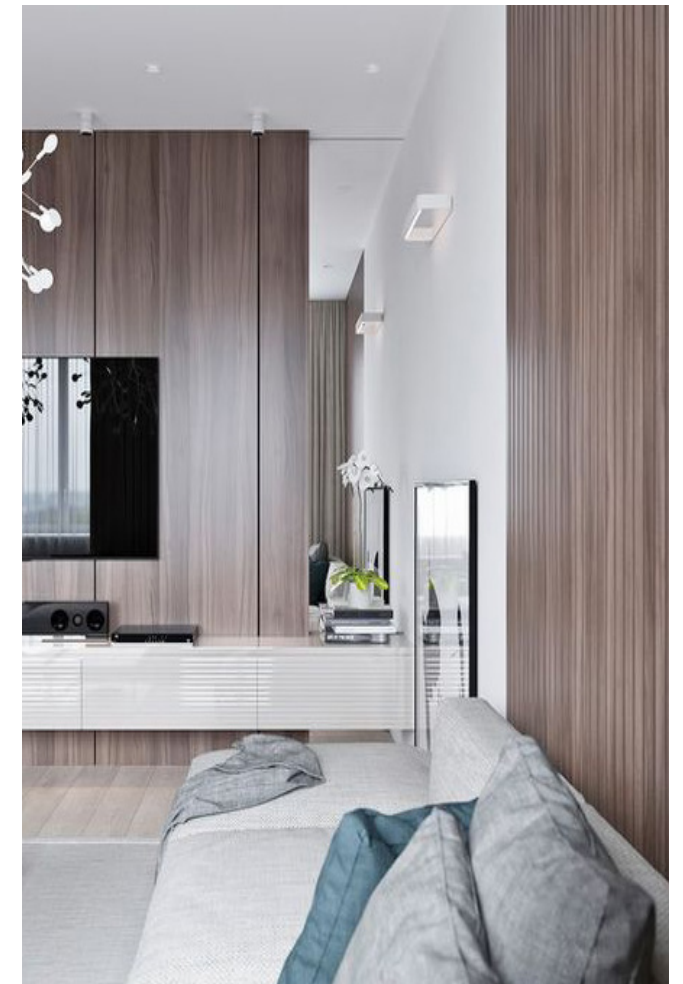

BLUSH INTERNATIONAL TEAM

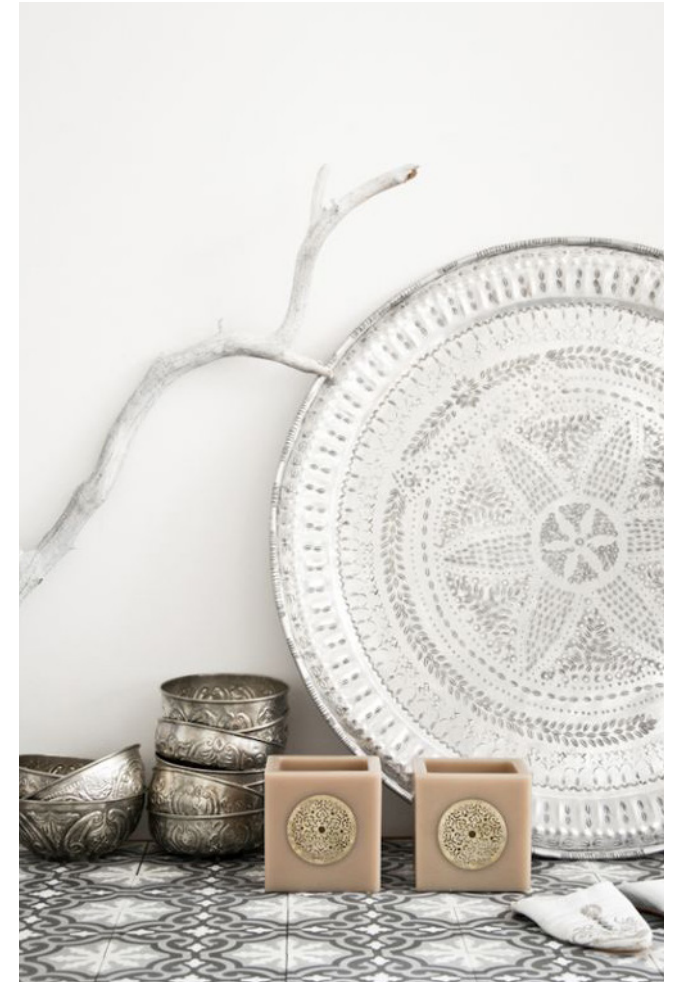

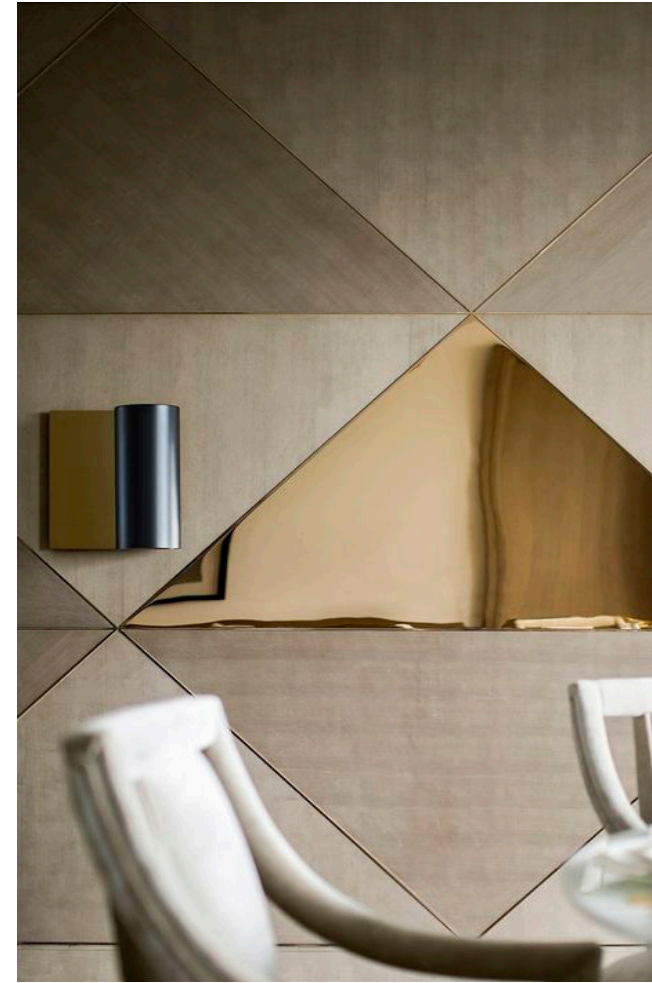

The team at Blush International is dedicated to the creation of luxury environments our clients will love. Every step of the process is tailored to allow our clients to explore the full potential of their dream space and with our expertise we can ensure that every element of design, aesthetic and function fuse together to, not only see that dream realised, but surpassed.

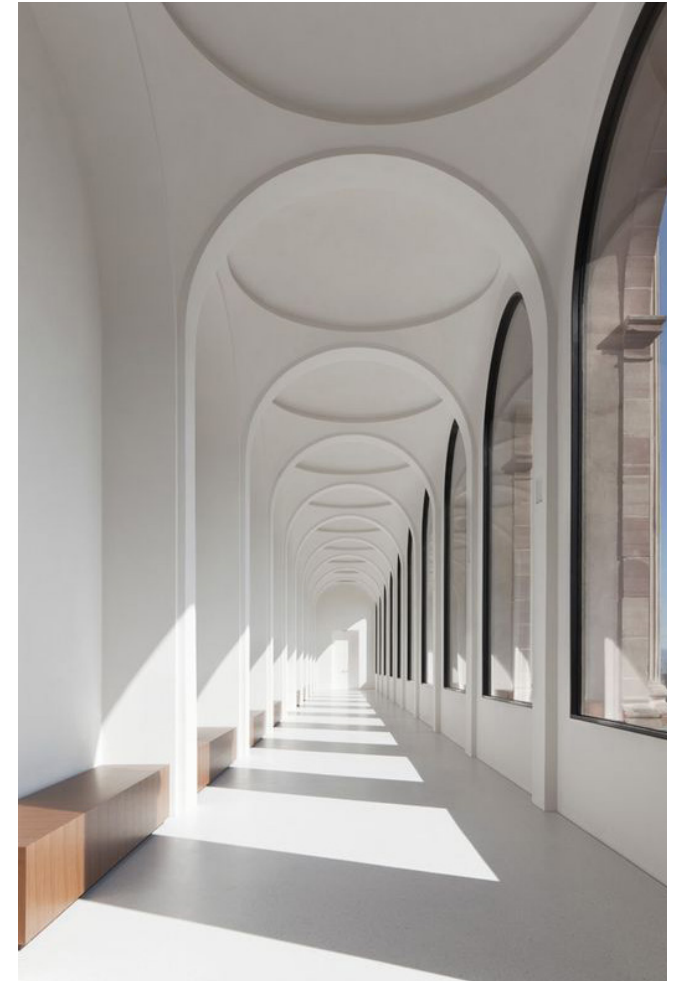

Blush have created some of the most elegant and sophisticated interiors for private residents, hotels, palaces, super yachts and private jets and take great pride in delivering unrivalled quality and excellence to our valued clients.
